What Our Clients say

"I have been putting this off for too long A big fat thank you from the bottom of my heart to Maritus Events and Wedding Planners & Maritus Wedding & Fashion Studio. Thank you doesn't seem enough for bringing to reality MY magical wedding...It was beyond words...You obviously have talents that are immeasurable...but are done with such love. Here's to the beginning of a beautiful friendship."

Their commitment made me speechless; starting from managing a crowd of over 3000, the personalized touches on décor, entertainment, the photography and wait... the Haldi ceremony was really an awesome suggestion which will remain as a wonderful memory in my life. Fahadh and I, cannot thank you enough! Thank you for being our right hand. Our only wish was that it could have lasted longer! Many thanks again!

celebrating your wedding with us!

Venues & Locations

If you are dreaming about an elegant affair at an exotic location, we help you make your dream come true. We will help you pick locations and venues based on your budget and tastes, for a simple ordinary ceremony to a grand and luxurious event or a destination wedding.

Styling & Beauty

We provide you with professional wedding stylists to make you look fabulous for your special day.

Invitations & Stationery

Create your own signature wedding cards and stationery as per your desire, budget and wedding theme.

WEDDING STUDIO

Our philosophy is to produce modern creative video and photography which will give our clients images of their memories to reflect upon for many years to come, we love natural pictures that move people. We take pride in not intruding on the day's proceedings and we make a point of observing rather than participating. We aim to stay in the background, as we feel the day is not about us but about you and your guests. The vast majority of our images are taken unstaged. We believe this provides a more natural and engaging set of images. We do however take a selection of more formal, group photographs according to your requirements, but what excites us most is photography that is timeless, natural and emotional.
